Beachcomber Resorts & Hotels' desire for each and every guest is to transport them into a carefree state of mind, suspended in bliss, giving them time to refresh, rejuvenate, and discover the riches of the sea and some of the most magical spots on its shoreline.

Some 69 years ago, the hotel group took the first steps on its distinguished journey as a pioneer of tourism and hospitality in Mauritius.

It has since created eight spectacular holiday resorts on the island. With welcoming arms, it invites visitors to share in this bounty and experience exceptional holiday moments.

With exclusive representation in the local market, Beachcomber Tours South Africa brings this resplendent family of Beachcomber resorts to the South African public, placing island paradises within easy reach.

Why our guests love Beachcomber

Our promise is to cultivate the art of beauty in all its dimensions

Taste the Art of Beautiful

Our cuisine is inspired by a blend of local influences, elevated to new heights by a superb team of creative chefs. Guests can taste the Art of Beautiful at our eight resorts' 34 restaurants, each in a unique location and offering various menus and cuisine. With different restaurant atmospheres and settings, this 'dine around' culinary experience is an enticing option. Guests at Dinarobin Beachcomber, Paradis Beachcomber and Trou aux Biches Beachcomber may dine at all four of the Beachcomber 4-star properties at no supplement (dining at Royal Palm Beachcomber is at a supplement). Our 4-star resort guests may also dine at any of our 5-star resorts, at a supplement. Royal Palm Beachcomber guests may dine on a complimentary basis at any of the Beachcomber resorts. Reservations are to be made whilst in the resort, subject to availability.

Be active, in beautiful locations

Our multiple sports facilities, on water and land, suit all ages and levels of fitness. The idyllic settings of our resorts, along the shores of a sparkling ocean, are an irresistible invitation to partake in these activities. Our recreation centres are staffed by highly-qualified artisans.

Discover the art of wellness and beauty

Our spa facilities take a holistic approach to mind and body well-being, offering personalised treatment programmes to achieve both inner and outer beauty and calm. We have perfected our own product range, B(e) Beautiful, with ingredients drawn from nature.

Experience the art of living beautifully

We create the perfect stay; one where beautiful surroundings are enhanced by the care and attention of our artisans. Our 5,000 employees demonstrate their passion for people daily. Many of them are second-generation staff members, whose values of hospitality have been passed down from generation to generation.

Be beautifully responsible

Our responsibility for the gift that nature has given us is to protect this heritage and pass it on to future generations. We practise sustainable development that encompasses both environmental and social issues.

Award-winning products & services

Travel agents consistently recognise Beachcomber Tours as a leading tour operator to Mauritius. Our products and service to the retail travel trade and to the travelling public have earned us a reputation for efficiency and reliability. Among many airline and travel industry awards, we are proud to have been named Air Mauritius' top supporter in the South African travel market for 12 consecutive years.

Our pledge

To offer quality products backed by service excellence and care. This is achieved through the dedicated efforts of an enthusiastic team of highly-skilled, committed people who take pride in doing things the right way.

For your interest

We want the best for you. Planning a holiday can be both exciting and daunting. This is where Beachcomber Tours' extensive experience proves a significant asset. To avoid disappointment, we recommend that you ensure the resort's inclusions, facilities, food and beverage options, as well as the location, meet your expectations. Mauritius does not have an official resort grading system and while some hotels may grade themselves in a particular category, their facilities may not match universally-accepted standards. Beachcomber Resorts & Hotels is committed to meeting international criteria in terms of facilities, quality and service when it comes to grading each of our 4- and 5-star resorts.

West is best

The most equable climate, the most protected beaches and picture-perfect sunsets characterise the west coast of Mauritius. Seven of Beachcomber's eight properties are located along this coast, with the eighth resort occupying a prime location near the airport.

Why Mauritius

- With regular flights from South Africa (approximately four hours' flight time from Johannesburg) and no visas required for SA citizens, this island paradise is within easy reach.
- Mauritius enjoys temperate weather conditions most of the year.
- The coast is protected by a coral reef ensuring calm sea conditions.
- Holiday packages at 4- and 5-star resorts offer excellent value for money, particularly during the off-peak season from May to September.
- There are fantastic early booking, honeymoon, familymoon, repeat guest and long stay discounts, and more!

Beautiful rituals

Beachcomber, where every moment matters and every detail counts...

The beautiful cocktail

Each year, Beachcomber Resorts & Hotels holds a unique cocktail making competition for bar staff. The winning cocktail then becomes the welcome drink our guests enjoy upon arrival.

The beautiful neighbours

Take tea with the locals. Beachcomber offers a unique opportunity to get acquainted with locals living in nearby villages – an experience particularly enjoyed by families as children cross the boundaries of friendship with ease.

The beautiful concert

After a full day of activity, slow the tempo down at a sunset concert of classical music.

The beautiful lights

Staff and guests gather to hear messages of goodwill read by children in English and French. Participate in this poignant ritual by floating candles in the water, each flame representing a wish for peace.

The beautiful table

A twist on the Captain's Table at sea. Guests are invited to experience a tempting three-course meal of Mauritian signature dishes. The chef will even pass on the recipes to take home.

The beautiful wedding

The bride and groom mix sea sand from two jars to symbolise their union. The sand is then trickled back into the ocean so that the waves may spread their love around the world.

The beautiful story

Seated on comfortable cushions or in the shade of a tree, a masterful Mauritian storyteller shares intriguing tales of the country and its inhabitants.

The beautiful farewell

It's time to say goodbye. A personalised farewell message from the Artisan of the Month thanks you warmly for your stay and bids you a fond farewell.

Happy clients are repeat clients! Generations of families have holidayed with us.

Beautiful experiences

Sharing the love with gifts

For those celebrating a honeymoon, familymoon, wedding or anniversary (for the 5th anniversary, or every 5th thereafter), Beachcomber will make your stay extra special! In addition to complimentary lunch daily and a bottle of bubbles, a magical Beautiful Experience awaits. Applicable to stays of four nights or longer, happy couples or families can select one unique experience at their resort. It's just another way of us saying congratulations and further enriching your stay. Valued at up to R5,300 per couple.

Honeymoon experiences by Beachcomber

Celebrate new adventures together by exploring the island in a convertible fun car, complete with a 'Just Married' sign. Or opt for a couples' spa treatment, sunset boat cruise, bike tour, scuba diving lesson or more! Beautiful Experiences are selected from a catalogue at the resort and differ from resort to resort.

Familymoon experiences by Beachcomber

Capture magical Mauritian memories on a family photo shoot or head off on an island adventure including a visit to the Pamplemousses Botanical Gardens or L'Aventure du Sucre; art, golf or tennis lessons for the family; cooking classes; a dolphin encounter or dinner on the beach! Again, experiences differ from resort to resort and may be subject to weather conditions and availability.

Straight up! Sustainable and responsible tourism means that the environment remains at the heart of everything we do.
